Residents in the Villages at Mt Hood are electing three members to the Board of Directors. The village is advisory to the Board of County Commissioners. The boundary consists of the Mt Hood and Rhododendron Community Planning Organizations.

Village Directors must live or own property or a business in the village area, be willing to volunteer time to work on projects, help represent the area and fulfill responsibilities as described in the bylaws. The Board of County Commissioners will review the list of candidates in advance of the town hall to ensure candidates meet the residency, property or business ownership requirements.

Directors will be chosen at the May 22, 2010 Town Hall meeting.

I support the concept and formation of our "Villages Board of Directors". As a current member of our Villages BOD, I feel fortunate for the opportunity to work with Clackamas County as an "agent of the County" for the purpose of enhancing the needs and services which are essential and vital to the sustainability of our mountain community. I agree with local residents, in that our current board has failed to adequately reach out to teachers, parents, business owners and young adults for input on issues that profoundly affect all of us. I have no special interest to protect, and feel compelled to expose those who do. I will work to encourage increased participation from local area residents, and strive to ensure their input is properly channeled. I can no longer sit idly by and continue to watch the exploitation on our community resources. We need fair representation
